quarters of the inaugural Committee was a busy scene and Chairman Wilson and Secretary Hitchcock greeted a host of visitors and conferred with their corps of committee assistants.

One of the first arrivals today was a band of Sioux Indians, who told the committee that they were anxious to participate in the parade in their native regalia. Gen. Wilson referred them to the Committee on Indian Affairs. They cannot be assigned places in the procession, but may be given some outside honorary duties in connection with the inaugural ceremonies. The Indian representation in the parade will consist of the delegation of half a dozen famous warrior chiefs, recently announced, and a cadet battalion of 300 of the Indians from the Carlisle Indian School at Carlisle, Pa.

The Governors of fourteen States are expected to participate in the parade.

Elected Tobacco Inspector On 29th Ballot.

The commission organized from the Tobacco Board of Trade, consisting of Chairman Dabney, four buyers and four warehousemen, met yesterday afternoon at 2 o'clock and after an hour and a half of balloting elected Fred R. Dryer on the 29th ballot, to succeed F. M. Byars, deceased, as inspector.

There were many candidates and the votes were badly scattered, but there was a gradual tendency towards Dryer, who won out after the complimentary votes had all been cast.

KUROPATKIN MAY RETREAT ONCE MORE.

Battle Raging and Rumor That Russians are Hard Pressed.

JAPS ARE ADVANCING.

Russian Left Wing Seriously Threatened by Gen. Kuroki.

A great battle is raging on the Russian front.

Fighting on a large scale is in progress in Manchuria. Gen. Kuropatkin, after meeting the initiative of the Japanese in the eastern part of the Shalke valley, assumed the aggressive in the western portion,

and under cover of a heavy artillery fire succeeded in driving the Japanese from a position in the outskirts of Sandiapu. Simultaneously the Russians attacked and captured a railroad bridge on the Japanese center. Much more serious is the Japanese move against the Russian left wing which threatens, unless quickly checked, to oblige Gen. Kuropatkin to abandon the position on the Hun river which he has occupied and fortified during the winter. There is no confirmation of the report that Kuropatkin has notified the Emperor that retreat northward has become imperative.

DAVIS AND RICKETTS

Not Reinstated as Members of the Police Force.

The City Council held a meeting Tuesday night to investigate the cause leading to the suspension of officers M. W. Davis and J. E. Ricketts, for failing to attend the fire in the Phoenix building on the night of Feb. 6. They stated that they were in the vicinity of Hotel Latham when the alarm was given, and when they went to headquarters at 12 o'clock to register off, they learned of the fire and were told that it was about out. They were suspended by Mayor Henry for failing to go to the scene of the fire. The Council took a vote and failed to reinstate them, which left their places vacant. Former Officer W. H. Nixon and Mr. Crit Anderson were elected to the vacancies. The latter, who is in the employ of L. H. McKee, declined to accept and another man will be chosen Friday night, at the regular monthly meeting.

CANNING FACTORY.

The raising of funds for the canning factory is proceeding slowly and it is necessary for more activity to be displayed if the movement is to be a success. This is the last week Mr. R. E. Sturgis will remain here to work up the matter and those who are hesitating to take stock should make up their minds quickly. This chance should not be allowed to go by.

On motion of the Commonwealth the indictment against Polly Jackson, col.; charged with house breaking, was dismissed. She was convicted at a former term and given one year in the penitentiary, but was granted a new trial. The Jackson woman is about seventy-five years old and has been ill for some time, with little chance of recovery. Sam Wallace, charged with complicity in the crime, was acquitted by a jury Tuesday. Another woman was convicted last September and is now serving a three years' sentence at Frankfort.

Nineteen misdemeanor cases were called and continued until the June term, for various reasons.

On motion of the Commonwealth four misdemeanor cases were dismissed.

The case of George Griffin, charged with murder, was called yesterday morning and passed, but will likely be tried this week. Some other minor cases were disposed of yesterday.
